Cosentino's Downtown Market Takes Gold

BRR's design of this unique urban market recently won the Gold Award in the category Architecture/Interior from KC Home Design and Midwest CJ Magazine. Centered in Kansas City's hustling Power & Light District, this market is heavily trafficked by the over 100,000 residents, workers, and visitors of Downtown Kansas City.

This high-end grocery store caters to customers on the go by featuring an 83 ft salad bar, gourmet pasta bar, pastries, brick pizza oven, sushi bar, and coffee bar.
