BRR Takes Home KCCC 1st Place Trophy for the 4th Consecutive Year

Kansas City Corporate Challenge celebrated 30 years of corporate competition while BRR marked its seventh year participating in the games in 2009. Each year brings unique goals and challenges. This year BRR challenged the company employees to sign up and help knock our previous participation numbers out of the park. Mission accomplished. At the awards banquet held at the Hyatt Regency Crown Center in Kansas City, BRR as a company accepted the championship trophy for Division F. This is the 4th consecutive year BRR has had the honor of receiving a 1st place divisional trophy.

BRR thrives on strong teamwork, dedication, and commitment to each other and to the games. The Kansas City Corporate Challenge continues to be a great way to build long lasting relationships with co-workers and colleagues. We take great pride in the success BRR has gained through the Kansas City Corporate Challenge games and we look forward to continuing the legacy.
