BRR Architecture Proudly Announces Promotions

Merriam, KS – Architectural firm **BRR Architecture** is excited to announce key promotions within the firm.

Rich Majors, AIA has been named Executive Vice President & Principal. Rich has over 19 years of architectural design experience and has held the position of Vice President since 2003. Today, Rich's team develop and maintains prototypes for the world's largest retailer. He is also our Principal-in-Charge of BRR's Arkansas location and oversees a team of retail designers who work on international projects.

Dave Schukai, AIA, LEED AP has been named Senior Vice President & Principal. Dave has over 19 years of architectural design experience at BRR, and has held the position of Vice President since 2001. He has played a major role in building BRR's reputation as a national lead consultant for the design of supermarket projects. In addition, Dave helps oversee sustainability efforts at BRR and leads retail store development and various other commercial projects.

Boyd Rau, AIA has been named Senior Vice President of Marketing & Principal. Boyd has over 25 years of architectural design experience and has held the position of Vice President since 2001. He has been instrumental in leading BRR's Business Development efforts domestically and internationally. Boyd also leads a team of architects and designers who work on retail developments, medical offices, tenant interiors and commercial projects. Additionally, he oversees our Architectural Illustration studio.

Hal Havens, AIA, LEED GA has been named Senior Vice President & Principal. Hal has over 24 years of architectural design experience and has held the position of Vice President since 2001. He has been instrumental in the development of our national retail site-adapt program and oversees a team of architects and designers involved in retail and commercial developments. Hal is one of BRR's leaders in advancing sustainable design initiatives, and a mentor for staff members seeking LEED accreditation.

Joan Redhair has been named Vice President of Human Resources & Principal. Joan has over 20 years of Human Resources Management experience including 4 years with BRR. Joan has been instrumental in strengthening BRR's competitive recruiting efforts, enhancing BRR's benefit package and providing comprehensive Human Resource direction.

Tony Garza, AIA has been named Senior Associate. Tony has over 16 years experience in architectural design including over six years with BRR. Tony heads our San Francisco office leading a team of architects and designers on commercial and retail projects in California and surrounding states.

Robert Ciston, AIA has been named Associate. With over 12 years of architectural design experience at BRR, Robert is the lead in assisting a national retail client with their exterior rebranding efforts and design development.

Debbie Talboy has been named Associate. Debbie leads our Accounting team with over 13 years experience in the field including 9 years experience at BRR.

Andrew Maass, Architect has been named Associate. With over 6 years experience in architectural design at BRR, Andrew is currently a leader in our San Francisco office overseeing BRR's regional remodel projects.
